Odor Annihilator Odor Neutralizer

Restroom

Odor Annihilator is the most effective water-soluble odor counteractant available. Odor Annihilator will neutralize malodors instead of simply masking them. Most other deodorants contain perfumes which merely cover up or provide a fragrance for a very short time. Odor Annihilator will provide immediate relief from the malodor leaving a pleasing fragrance, while working to physically neutralize the malodor. One application of Odor Annihilator will counteract odors up to 24 hours.

Core Cleaning Chemicals

Dry Foam Carpet & Upholstry Shampoo

Carpet Care

A highly concentrated synergistic blend of detergents and solvents which instantly emulsify oily soil, loosen dirt and trap it for easy removal. Produces a rich thick foam that releases soil from carpet fibers and traps it for quick easy removal. This unique low moisture foam is fast drying and insures against overwet carpet to allow traffic back on the carpet sooner. Recommended for use with rotary dry foam shampoo equipment on all types of carpeting (except stain resistant).

Powder Free Nitrile Exam Glove

Nitrile Gloves

Nitrile gloves provide excellent resistance to tears and puncture. Nitrile is three times more puncture resistant than latex of the same thickness, making it one of the best solutions for long-wearing durability. Offers superior chemical resistance for a wide range of common as well as harsh chemicals. In addition to nitrile's excellent tensile strength and durability, the gloves conform well with excellent elasticity resulting in a latex-like fit and feel. Nitrile's barrier properties make it the choice for foodservice, janitorial and sanitation safety. Also popular with "first responders", including EMS, police and others. 5 mil, rolled cuff, blue. 100 gloves per box.

Core Floor Care

Diamond Coat Floor Finish w/ SRT

Finish

Diamond Coat with Scuff Resistant Technology SRT is a low odor, black heel mark resistant floor finish that is an exceptional choice for those who want the highest gloss and wear with the least amount of labor. Diamond Coat with SRT is nonscuffing, durable, detergent resistant and maintains its high gloss with minimal burnishing, a real labor saver. Excellent leveling and low odor make it easy to apply.

Item	Size	Color	Pack	Pallet
LIK013905-PL	5 Gal.	White	1	36

Fortress Floor Finish

Finish

This floor finish utilizes highly durable internally cross-linked polymers blended to achieve a harder floor finish film. This unique chemistry results in an high gloss, long wearing finish that cures faster and harder than any other metal-interlock finish. The perfect labor saving advantage for Educational and Retail facilities which have little or no time for floor burnishing.

Roam Upright Cordless Vacuum

Upright Vacuums

In any commercial setting, cleaning spaces quickly and efficiently is a necessity to ensure quality and increase your bottom line. When it comes to vacuuming, there are many ways to do it, but almost all forms of vacuuming require you to switch outlets when you run out of power cord. With the brand new CK LW 13/1 Roam, you will never run out of power cord because the machine is battery operated! In addition to being battery operated, you won't lose out on any suction power, allowing you to clean your spaces uninterrupted with the same (or better) results as your current machine!

Windshear Storm Deluxe Blower Low Profile

Air Movers

When time is money, you get more drying productivity and profits with the all-new Windshear Storm! Utilizing all-new "Driven Air" technology, this compact unit is changing the blower/dryer market as we know it today. The Windshear Storm is dramatically lighter and smaller, offering high airflow volume with velocity of 3,200 feet per minute. What's more, with a compact and light briefcase-style profile and maximum running amps of only 2.4, this unit creates the perfect Storm of drying performance, size and affordability.

Windshear 3200 Floor Fan 3 Speed

Air Movers

The Tornado Windshear 3200 Dryer is built with an injection molded polypropylene copolymer housing to withstand the harsh, every-day use of contract cleaners, restoration professionals and more. In addition, this material is much lighter than other molded housings making this unit not only durable, but lightweight as well. Due to its lightweight, durable construction, our fan will outlast other competitive models on the market today.

Windshear Downdraft Dryer

Air Movers

Dry an average size room in just minutes with the Windshear Downdraft drying technology. This air mover from Tornado pulls drier, warmer air from above, driving it down and out across the entire surface of the floor. One Downdraft will dry an entire room in as little as 15 minutes. Drying rooms one section at a time is a thing of the past with the Windshear Downdraft.

PS Professional Spotter

Carpet Spotters

The PS Spotter excels in touch up applications in any situation where a quiet, compact and ergonomic design is needed. PS Spotters perform exceptionally well on carpet spills and stains, automobile interior restoration and furniture and upholstery cleaning. The unit was made for professionals as shown by its powerful vacuum motor, the choice of nearly indestructible plastic for its housing, quick disconnect hoses and long life pump. A wide array of optional tool sets makes the PS Spotter versatile as well.

Marathon 1200 17" Brush Width

Carpet Extractors

Automatically flush, scrub and vacuum carpets in one pass, with our Marathon units. Unlike all other units, these cleaners utilize a clever patented internal bladder design system that maintains constant brush pressure on the surface regardless of the position of the water in the tank. In addition, the bladder design has allowed us to shrink the footprint of the unit to allow for easier transport, storage and better sight lines for the operator. In short the state of the art, user friendly and easy to service design has made these units one of our most popular sellers. Cleaners come in both 8-gallon (98166) and 12 gallon (98168) sizes.

VS4 Chemical-Free Steam Cleaner

Specialty Equipment

The VS4 is a compact and robust steam cleaner which offers outstanding power and sanitizing benefits. Optimal cleaning results are achieved thanks to 87 P.S.I. of steam pressure which helps remove dirt from hard-to-reach, close quarter areas. Continuously variable steam volume control and the VapoHydro function (continuous regulation of the water-steam ratio) means the machine can adapt perfectly to any cleaning task. The water tank can be refilled at any time, and when the water reaches the steam tank it rapidly heats up to ensure uninterrupted operation of the VS4.

Floor Care

Hard As Nails Floor Finish

Finish

This floor finish utilizes highly durable internally cross-linked polymers blended to achieve a harder floor finish film. Superior wearing. Non-scuffing. Self-leveling, Self sealing. 0.0% Free Styrene. This unique chemistry results in a high gloss, long wearing finish that cures faster and harder than any other metal-interlock finish. The perfect labor saving advantage for Educational and Retail facilities which have little or no time for floor burnishing. Resists dirt embedment.

Hybrid 25% Floor Finish

Finish

Self sealing formulation. Extended wear formula provides the longest lasting shine possible. 0.0% Free Styrene. A revolutionary new polymer system formulated with XBF technology that provides the longest lasting finish ever. This self sealing extended wear formula retains film integrity and outstanding gloss even after repeated detergent mopping and burnishing. This finish effectively reduces maintenance and prolongs the time between strippings. Specifically formulated for medium maintenance programs this product will retain its gloss between burnishings. In high speed programs it greatly reduces the need to frequently use a restorer.

Peladow Ice Melter

The premier snow and ice melter. Ideal for clearing sidewalks, driveways and parking lots. It melts ice up to 3 times faster than competing materials, and outperforms other products across a wide range of temperatures. The round shape helps it penetrate ice and break the bond with the pavement more quickly than flat or crystal-shaped ice melters, allowing easy removal of ice and snow. TM Trademark of Occidental Chemical Corporation.
